**Mrs. J. P. Bell, Ossawatimie, Kan.**  
wife of the editor of The Graphic, the leading local paper of Miami county, writes "I was troubled with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. I consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and it completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did, there's relief untold for them if they will only give your remedies just one trial."

## BRUTAL MURDER COMMITTED AT DESHLER.

A Wife's Brains Knocked Out.

Murderer Arrested, and has Confessed the  
Awful Crime.

Owen DeLaney a B. & O. section hand,  
Living at Deshler, killed his wife, by  
beating out her brains, with a coupling pin.

Monday morning at 1 o'clock he called  
up Dr. Garret and requested him  
to come to his wife, as he thought she  
was dead or dying.

He claimed he was awakened by two  
men who were choking and pounding  
his wife who slept in a room by her-  
self. He had shot at the men twice  
while in the house and twice after they  
ran away.

Upon the arrival of the doctor, he  
discovered that the woman had been  
dead several hours, and that her head  
had been horribly mashed with some  
heavy instrument, and upon investiga-  
tion found a coupling pin, which  
was discovered, wrapped up in a piece  
of cloth under Mrs. DeLaney's bed.

The husband was arrested as the  
probable murderer.

After diligent search, DeLaney's  
clothes were found under the pigpen.  
His pants and shirt were covered with  
blood.

At the preliminary hearing he pro-  
fessed innocence, but at the sight of the  
bloody clothes he confessed the crime.

He said his wife owned a 40 acre  
farm which sold at \$900. He came home  
drunk, wanted part of the money, and  
upon being refused beat his wife to  
death.

## THE REPUBLICANS

HAD A GREAT CONVENTION

AND NOMINATED A SPLENDID  
TIOCKET.

It is a Winner and There is no Room for  
Dissatisfaction.

Early Tuesday morning the Repub-  
lican delegates assembled at Bowling  
Green and it was evident that they  
were there for business.

There was no "faction" in it, it was  
just plain business with the best man  
to win. Everybody had his favorite  
and stuck to him until the end and  
then joined in the enthusiasm for the  
successful one.

The convention was called to order  
by the Chairman Edward Beverstock  
who stated the object of the meeting  
and after the reading of the call, he an-  
nounced that the Committee had chosen  
H. B. Saylor of Portage, and E. L.  
Blue of the PERRYSBURG JOURNAL, as  
temporary Chairman and Secretary.

Upon assuming charge of the Con-  
vention Chairman Saylor made a few  
very appropriate remarks, and  
then settled down to business.

The usual committees were then ap-  
pointed, and after being assigned to  
places of meeting, the convention ad-  
journed for dinner.
